

DEPARTMENT OF GENERAL SURGERY, CDSIMER

- Event title: **CME ON STOMA MANAGEMENT**
- Event date: 16-09-2022
- Event time: 2.30PM – 3:30PM
- Event run time: 1HRS
- Event location: CDSIMER BASEMENT LECTURE HALL,F BLOCK

The Department of General Surgery held its first ever departmental CME at CDSIMER on 16-09-2022 at 2.30pm in CDSIMER basement lecture hall of F block.

CME was on “STOMA MANAGEMENT”.

The event was attended by CONVATEC Company, pioneers in stoma care worldwide. They had invited stoma expert Mr. Glenn to brief about stoma appliances. Mr. Glenn incidentally himself is an Ostomite and gives lectures on Stoma care to healthcare professionals.

The event was attended by Dr Ashok A C, Dean and Director of CDSIMER, Dr Rajagopalan, Medical Superintendent, Dr Hariprasad T R, HOD General Surgery, Faculty of General Surgery department, the nursing and OT staff of CDSIMER.

CONVATEC marketing in-charge Mr. Vishwanath had a brief presentation following which he demonstrated various Stoma appliances and available products for Stoma care. The nursing staff were allowed have hands on experience in application of Stoma care.

Mr. Glenn gave a brief description about different stomas and its anatomy. He also spoke about his personal experience regarding the same, gave tips for stoma care and its easy handling to the nursing staff.

Photographs of the event has been attached for your reference.
